# THE AMBASSADOR HISTORY

Established in 1988, the UTSA Ambassador program consists of a select group of 70+ student leaders. These students are committed to service, leadership and integrity. The Ambassadors provide more than 8,000 service hours to The University each year. The Ambassadors are enthusiastic students with strong leadership and communication skills, and they are dedicated to representing UTSA. Members volunteer at many tri-campus events, community and alumni functions, university-sponsored conferences, and serve as tour guides for prospective students, parents and other visitors to campus.
